1. [REDACTED] telephoned requesting that we determine what materials are available on Senator McCarthy and his charges against the Central Intelligence Agency.
  2. Met with Frederick C. Bolen, Chief Counsel, Committee on Post Office and Civil Service to discuss the health insurance bill. He furnished us with a copy of the letter to the Chairman from the FBI which requests they be permitted to maintain their own plan through amending the "employee organization" section of the bill. Mr. Bolen indicated that since this was designed to cover labor unions there was little possibility of changing it by this method. Mr. Bolen also indicated that if we were to put in a letter indicating our desires, it is highly possible that we would not be requested to testify. I explained that we had answered the Chairman's letter concerning an appearance saying that we would make arrangements with Mr. Bolen. He said that this was satisfactory and that he would discuss it with the Chairman.
  3. Jay Sourwine called and asked for the present location and background information on the following individuals and on the first person he wanted our evaluation on a confidential basis: [REDACTED] (thought to be in Hollywood and previously had served in [REDACTED])

  4. Mr. Warner and [REDACTED] met with Charles Johnson, Dave Corper, Dayton Hall, Ed Sampyrus, et al to assist in the preparation of the Committee Report on the Overseas Allowance Bill, H.R. 7758.

REMARKS:		
<p>Attached is a copy of H. R. 7758 as passed by the Senate last week. There are a number of minor changes in the bill from the version which passed the House last year. We are advised that these minor, non-substantive changes were requested by the House Committee and that when the Congress reconvenes in August the House will take immediate action to approve this bill. Thus, it appears that the bill has been approved in principle by the Congress and there is every reason to expect that it will</p>
